

Chairman's Desk

At KBS GROUP OF EDUCATION we focus on a very important rule of education that "every student can learn, just not on the same day or the same way ". A good educational institution is one that helps the overall development of a child-mind, body and character. To achieve this goal, we provide a wide array of sports like basketball, badminton, chess etc.

So that each student can seize the opportunities afforded him/her. We are committed to transforming each student entering our doors to become the best of the upper echelon of society. The school has maintained good infrastructure and good management for our students.

We provide education that goes beyond the realms of textbooks, that is to nurture talent of each student and motivates them towards innovation, thinking out of box. Apart from handling academic we provide a strong emphasis on character development and moral values.

We have enthusiastic faculty members who put their best effort to create a dynamic learning environment that encourages curiosity, creativity and a passion for lifelong learning and development.

Including gurukul concept we provides the education and development of student considering present scenario and development required for students which promotes an enthusiasm among all the student results into healthy competition among them.

We would like you to be the part of our family and find correct path for your child.

Dr. Pravin Gupta(PHD Organic Chemistry) Chairman KBS Group

Director Desk

Dear parents and students,

Every moment in life brings new possibilities and opportunities of success and the boundless joy is compounded when we are about to realize our goal. Most important rule for gaining success is to be happy and think positive.

Mrs. Shivani Gupta (Software Engineering Lead)

Principal Desk

Dear parents & students and well-wishers,

It is my privilege to welcome you to our school—a place where education goes beyond academics to shape confident, responsible, and compassionate individuals. With a background in Psychology, M.Com., B.Ed. and as a CA finalist I strive to blend emotional intelligence, analytical thinking, and values-based learning.

Mrs. Neha Jain
Principal KBS Gurukul

Principal Desk

A school plays a crucial role in shaping a child's future. Not only does this include the provision of education and ensuring learning, but moulding the character, morals, and value system of the child as well. A school provides the foundation needed to view the world as a limitless space providing innumerable opportunities to shine.

Mrs. Garima JainPrincipal KBS Academy

Our Vision

To establish an inclusive and dynamic educational ecosystem that recognizes and nurtures each child's unique potential, fostering curiosity, intrinsic motivation, and a lifelong love for learning. We aim to empower students to embrace their self-worth, dignity, and respect, preparing them to thrive as compassionate, confident global citizens.

Our Mission ©

To provide a holistic, student-centered education that balances academic excellence with personal growth. Through innovative programs, including integrated stem education and character development initiatives, we strive to build self-esteem, critical thinking and emotional resilience, equipping students to navigate and contribute positively to an ever-evolving world.

Which stands for SCIENCE, TECHNOLOGY, ENGINEERING, AND MATHEMATICS is more than just a Collection of subjects. It is a dynamic and hands-on approach to learning that prepares students to solve real-world problems, think critically and innovate with confidence. In a world that is changing rapidly, these skills are no longer optional, they are essential. Active listening on Current affairs, practical learning, computer coding, public speaking, brain boosting activities and other student development programs are in our stem curriculum.

SIP

INTEGRATED LEARNING: Combines regular school education with coaching for competitive exams like olympiads, JEE MAINS, NEET, UPSC, & NDA.

STEM FOCUS: Emphasizes practical learning in science, technology, engineering, and mathematics through hands-on Experiments

COACHING FACULTY: Experienced educators from renowned institutes conduct regular classes, Ensuring quality instruction.

DIGITAL SUPPORT: Interactive video lectures and a learning app enhance the learning experience, providing additional resources and support.

STUDY MATERIALS: Provides study materials, test series, and workshops to reinforce learning and prepare students for competitive exams.

PAVING THE PATH FOR LEADERS THROUGH SPORTS

At KBS GROUP OF EDUCATION, we believe that sports education plays a vital role in shaping future leaders. We empower our students to pursue sports not just as a recreational activity, but as a meaningful path toward personal growth and professional excellence. Through structured training and guidance, sports at kbs become a powerful tool for building confidence, discipline, and leadership.

A time to explore

Our Activities & Events

Kindergarten Programme

Our KINDERGARTEN PROGRAMME offers a dynamic blend of individual and group activities, fostering a lively and positive learning environment. Through engaging games, songs, creative projects, storytelling, role-playing, drawing, and painting, children develop foundational skills in literacy and numeracy. This approach nurtures curiosity, enhances social interactions, and builds confidence, setting the stage for lifelong learning.

Primary School Programme

The PRIMARY SCHOOL PROGRAMME emphasizes inquiry and exploration, cultivating children's competence in various skills. Students engage in activities that enhance reading, writing, listening, speaking, problem-solving, observation, measurement, and the use of information and communication technology. This holistic approach encourages critical thinking, creativity, and effective communication, preparing students for future academic challenges.
